

## Letter from President

The leaves are changing, the days are getting shorter, and another page has flipped on the calendar, many changes are happening and a new season is upon us.

EWI also has many new changes this season. There was a new national Corporate Board revealed at LCAM. (can be seen on My EWI). For our EWI of Saskatoon you will also be welcoming a new President and chapter board for the upcoming year. EWI of Saskatoon will continue to grow, thrive and be an amazing team. Thank you to Michelle, Fran and the nominating committee for putting this together.

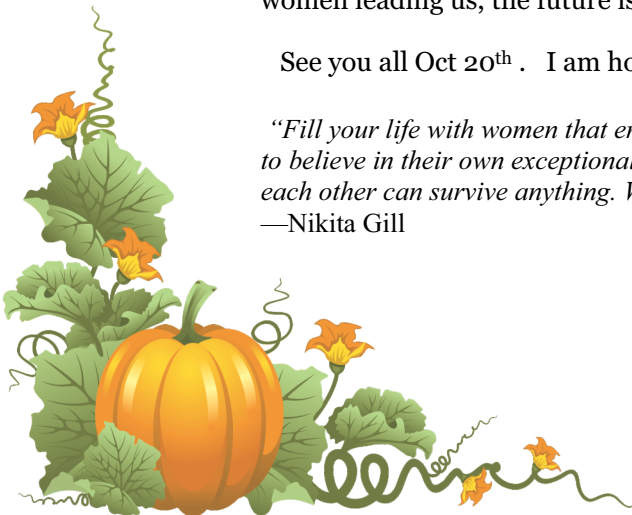

It has been my pleasure and honour to serve as your president for the 2020-2021 year. A special thank you to this year's board. Although it was a trying year, we all did our best to keep everyone informed and continued to network (a little differently) but I am so proud of all the time and effort everyone put in. I am so excited to see what Fran and her new board will bring for the next year. With a new strong board of incredible women leading us, the future is so bright.

See you all Oct 20<sup>th</sup>. I am honored to be a part of this EWI group.

*"Fill your life with women that empower you, that help you believe in your magic and aid them to believe in their own exceptional power and their incredible magic too. Women that believe in each other can survive anything. Women who believe in each other create armies.*
