

## Letter from President

Happy spring everyone. I hope you and your families had a beautiful Easter weekend. We were so fortunate the sun was shining and the snow is just about a memory for this year. It sure made it a much nicer holiday for those that are at high risk to enjoy some outside time with family. Spring to me means new: new life, new beginnings, and new adventures. I cannot wait to see what adventures we will have this year.

Our March meeting speaker was Monica Kreuger. She brought with her a few guests and many years of experience growing leaders in the world of entrepreneurship. We are so fortunate to be able to have so many different speakers from all different realms willing to share with us their stories and help us advance in our careers and/or self-empowerment.

Our next meeting will be held on Zoom on April 21<sup>st</sup> at 6:30. Invite your friends and co workers. With no out of pocket expenses it is a great time for them to see what EWI has to offer.

Please watch the upcoming “Connects” for information on upcoming fund raisers, for upcoming events from our firm members and some great information on Award opportunities. Also watch your emails for upcoming webinars from corporate. May 4<sup>th</sup> is Leadership with Panache: Inspire, Motivate and Influence. Sign in to My EWI and use the resources, meet your community or Mentor or be mentored in the Mentor Match program. There is so much we have available to us. MyEWI is the home of all EWI Members.

I look forward to seeing you all on April 21<sup>st</sup>. I am honored to be a part of this EWI group. If no one has told you today remember “You are an amazing group of women”.

Best Regards,  
Susan Mowat

## HILLCREST FUNERAL HOME PARTNERS WITH READ SASKATOON

Hillcrest has been very proud to partner with READ Saskatoon over the past year and a bit (2019-2020)!

Hillcrest has done some fundraising to assist with READ's programs through co-hosting a movie night and selling engraved Christmas ornaments, raising a total of \$1055.00. READ Saskatoon is extremely grateful for Hillcrest's support this past year.

We also assisted by donating books and school supplies. Although everyone knows this was a challenging year in many ways, Hillcrest staff would have loved to be more hands on in their partnership with READ Saskatoon. This was not to be, but hopefully opportunities will present in the future. Nonetheless, Hillcrest has thoroughly enjoyed working with Michelle and getting to know her personally.

## The Program:

In 2015 Niall returned to Vancouver BC Canada while chasing his dreams in the fashion industry . He found himself at a crossroads, to continue down the path he was on or choose a path never seen.

After centering himself with what was inside his heart , he chose a path of most difficult terrain.

He has overcome sexual assault, drug addiction and living with the stigma of having FASD ( Fetal Alcohol Syndrome Disorder ) as well as the death of his older brother who was taken by a drunk driver.

Niall will be sharing with us how he accomplished these things.

He is now a published author, clothing designer, motivational speaker, and President of a non profit BMX Club in Warman.

He is success driven and leads people to breaking the chains of trauma, over coming the fears that hold us back in life and living out our purpose
