

Letter from President

Just like that its June. Hope is all around us. Hope for nice weather, for opening our province, and hope to see everyone's smiling faces in person again. If all goes well, we should be able to get together as early as Aug or Sept. Many of us have felt compelled to get our vaccines and have already had our first shots. The second round for full immunization should be by mid-summer. Hope is on the rise.

June also marks our members meeting month. After our dinner meeting on the 16th of June at 7:30pm we will have a short, members only meeting. Please join us. It is very important that we have quorum. If you can not make it please reach out to one of your EWI sisters that is like minded to you and give them your proxy to vote.

Great speaker once again last month and I am looking forward to all our upcoming speakers this month and going forward. I had the pleasure of taking part in a Retention and recruitment meeting held by the corporate board this month. If every member invites one guest think of the fun, we can have our next meeting. It will be held on Zoom on June 16th at 6:30. Take your computer out to your deck, enjoy the nice weather and invite your friends and coworkers to join us. Let's get them engaged now while there is no out of pocket expenses it is a great time for them to see what EWIC has to offer.

Please check out this "Connect" for information for upcoming events from our firm members and some great information on Award opportunities. Thank you to Karen for sharing her past experiences and to Fran for putting these together for us. I have added the list of all that are eligible in this month's Connect.

See you all June 16th. I am honored to be a part of this EWIC group.

"Fill your life with women that empower you, that help you believe in your magic and aid them to believe in their own exceptional power and their incredible magic too. Women that believe in each other can survive anything. Women who believe in each other create armies.

June 2021 Business Meeting Board Reports

Presidents Report - Susan Mowat

In this past six months although we have not been able to have in person meetings, our board has met monthly on Zoom for meeting to keep us all up to date and plan whatever we possibly can to keep our membership engaged in these very different times. Although we are short some positions on our board, we have been able to provide monthly dinner meeting (minus the dinner part), we have raised money for our ASSIST program, and our 2 of our past presidents provided us a fantastic fun night for Christmas. We also have contests on the go and more fun to come. I have taken part in corporate leadership calls, and learning provided from the corporate board at every opportunity provided. I have provided monthly reports, assisted the treasurer, emailed “The Connect” out monthly, kept up on EWI emails and tried to engage with all members. Although it has been a very different year, I am so proud of the job our board has done.

VP/President-Elect Report – Fran Seidler

As Vice President, I have participated in our in-person and Zoom monthly Chapter and Board meetings. I was able to take part in the Corporate “Recruitment and Retention” Part 1 session which reaffirmed my commitment to Renew & Reimagine! My goal is to help this Chapter grow, not only in membership, but in the spirit of camaraderie. I was honored to assist in formatting the qualifications for the Chapter Awards which will be presented for the first time this fall. I am excited for the winners! Looking forward to being in each other’s space again!
 Respectfully submitted,
 Fran Seidler, Vice President, 2020 - 2021

Sergeant at Arms Director Report – Jenelle Wignes-Haaland

As Sergeant at Arms, I have been taking attendance and conducting roll call at our monthly Chapter Zoom meetings. I have worked together with our Board members to set up two fundraisers, Controlled 50/50 and Prairie Meats gift cards, to help raise funds for our Adult Students in Scholastic Transition (ASIST) Scholarship.

I look forward to saying “Hello” again to each one of you in person in the near future!

Respectfully submitted,

Advisor Report – Michelle Busa

As Advisor, I have been helping with the technical side of EWI of Saskatoon. There have been a few website issues that have popped up, so I have been passing down my knowledge so the board next year is able to fix issues. I have also been in touch with our contact at the University of Saskatchewan, so we can find out who our first scholarship winner is. There were a few applicants, but their paperwork was incomplete. They are working with the candidates to submit a complete application. I will also need volunteers for a nominating committee for next years board.

Respectfully submitted,
Michelle Busa Advisor 2020 - 2021

Program Director Report – Cara Mazurak

As the Program Director, I have been busy scheduling speakers that help to get our EWI group engaged and try to bring new awareness to our chapter of EWI. Due to COVID this year, unfortunately, we have not been able to meet in person. Therefore, we had to hold all of our meeting virtually via Zoom.

This year, we have not had the opportunity to interact with each other, which has saved us money, but has not allowed us to Network the way we normally would. I personally this time had an impact on our attendance in these meetings. Some great speakers have been heard this year, and I would've hoped to have more participation.
