

Letter from President

May has arrived and us folks that love to camp can already smell those campfires, taste those hotdogs and feel the quiet nights away from the city lights. Getting back to what we Saskatchewan people do in the summer months, is what we wait all winter for.

I am sad to say I had to miss our April meeting, but everyone I talked to after was very impressed by our speaker Niall. Thank you to Michelle for looking after the meeting in my absence. Our next meeting will be held on Zoom on May 19th at 6:30. Take your computer out to your deck, enjoy the nice weather and invite your friends and coworkers to join us.

With no out of pocket expenses it is a great time for them to see what EWI has to offer.

We have some great speakers lined up in the next few months: our city councilors, our very own Char Weightman, and Corliss to name a few. More information and save the dates will be provided.

Special thanks to Jennelle for all the work she has put into fundraising this year. Without a formal fundraising coordinator, she has just stepped up and gone the extra mile to provide lots of options for us and by doing so, we are well on our way to provide the fundraising needed for our yearly commitments for ASIST.

Please check out this “Connect” for information for upcoming events from our firm members and some great information on Award opportunities. Thank you to Karen for sharing her past experiences and to Fran for putting these together for us. We will add a list of all that are eligible in next month’s Connect.

Remember to sign in to My EWI and use the resources, meet your community or Mentor or be mentored in the Mentor Match program. There is so much we have available to us. MyEWI is the home of all EWI Members.

See you all May 19th. (Soon it will be in person). I am honored to be a part of this EWI group. If no one has told you today remember “You are an amazing group of women”.

Best Regards,
Susan Mowat
