Message from the President

I am honored and delighted to be the President of EWI for the 2023-24 season. As the trees lose their leaves I am reminded like them it is a season for change. Our theme for this upcoming year is going to be focused on EWI's 3 C's which are Careers/Connections/Community.

We really want to focus on the value of being a member with EWI, by providing connections, training as well as giving back to our community. That being said watch for more to come at our member meetings and through our connect publication.

"The connections between and among women are the most feared, the most problematic, and the most potentially transforming force on the planet"... Adrienne Rich
